

DEFIBTECH LIFELINE FULLY AUTO WITH 7YR BATTERY

Part No N-DCF-E130-SET

DESCRIPTION ▾

The Fully Automatic Lifeline AED is designed to analyse heart rhythms and take action, automatically delivering a shock, without the need for intervention.

The Lifeline AED's simple 1 button user interface, clear, calm voice prompts, highly visible progress lights and actively illuminated status indicator, all contribute to making The Lifeline one of the most user-friendly defibrillators available.
